Incentives & Teambuildings

If you are looking for a way to inspire your employees, motivate your team, increase your sales or celebrate success, you have just found the perfect DMC in Budapest, to create a motivating incentive trip with a truly once in a lifetime experience. "Customer-oriented thinking" is a priority for Cosmos, that is why every event itinerary strictly depends on the company goals and participants. We know that sharing the "we-feeling" is an important emotional ingredient for a real and memorable fun.

Cosmos offers you creative incentive ideas and tailor-made programs, ranging from team building activities to entertainment with WOW-factors. We are ready to realize any unusual requests.

Meetings & Events

Whether it is a 5-person business meeting or a couple of hundred delegates conference, Cosmos is your right partner in organization. We always prefer quality rather than quantity. With its unmistakable beauty, rich cultural life, wide selection of first-class hotels and exceptional venues, and easy access from all over the world Budapest is becoming increasingly popular as a destination for conferences, incentives and corporate events.

Our strengths are: finding the proper venue, selecting experienced high-standard suppliers, working on creative ideas, paying special attention to details, ensuring surprising highlights, special decorations, tailored sound and light effects...

Let us handle the details so you can give your delegates the attention they deserve!
